Date: Autumn 2022

Ethical informed citizens

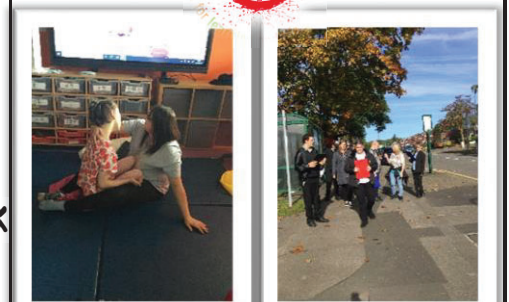

Class 10 worked together as a class to make an Autumn soup, we prepped veg, cooked, and tasted the yummy soup.

We've been visiting Serennu sensory garden to explore new surroundings, play music, and look for different insects.

Class 10 celebrated 25 years of MOVE by going on a 25 minute walk. Pupils also spent 25 minutes completing their MOVE targets in various equipment.

Ambitious capable learners
