" I was excited to come back to school!"
- Greyson

Class 6 have been busy making handmade gifts to sell at the Christmas market. They have also created stained glass effect Christmas trees for the windows.

Meet Our Class!

Class 6 has had a fantastic start to the new term. We have been getting to know each other and making new friends. We also welcomed a new pupil Michael Bush to our class who has settled in really well. Well done Class 6!

Eirwen, Paige, William and Louis have had a fantastic time learning new skills through horse riding. They have all gained so much confidence and can't wait to go every Tuesday.
