

Newsletter/Newyddion Class 4

Date: Autumn 22

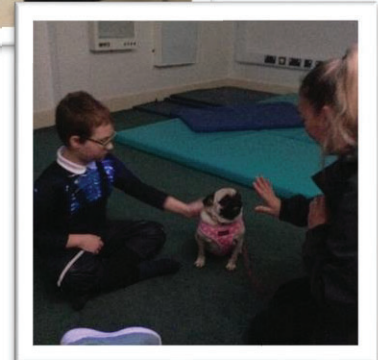

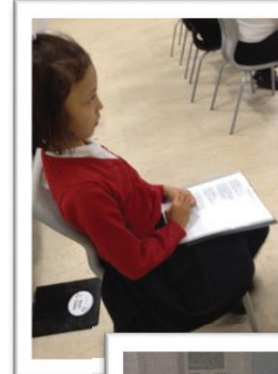

Our pupils have been enjoying our science experiments, especially mixing together bicarbonate soda and white vinegar to create fizzing stars.

Class 4 this term have been learning about the different types of weather. They have enjoyed experiencing the weather during our Attention Autism sessions.

Class 4 have been learning a new nursery rhymes every week, they have enjoyed singing and ordering the verses.

Class 4 have been enjoying a variety of activities such as meeting our new P.A.T dog Tia and joining in with the choir.

Ethical informed citizens

Ambitious capable learners
