

EAS Special School Cluster Vision

- The EAS Special School Cluster is committed to realising the four purposes of the curriculum through:-
 1. Placing wellbeing at the heart of our schools, in order for our learners to lead healthy and fulfilling lives
 2. Pupil centred approaches and multi-agency partnerships
 3. Real-life authentic experiences, building connections across learning to shape effective learners
 4. Nurturing success to support our learners to become active members of their communities and lifelong learners
 5. Promoting equity and equality whilst celebrating diversity
